MT. CAESAR UNION LIBRARY
Librarian's Report

Because people and industry, in and outside of Swanzey, gave generously of money, time and effort, the Library is now in its new quarters on the first floor of the building. Money was raised for the renovation and equipment first, by the town appropriation of \$6000.00 at the meeting last March and then, with the fund raising efforts of the trustees of the Mt. Caesar Union Library Association under the supervision of the Kingsbury Machine Tool Corporation. The enthusiastic support of the townspeople made possible the success of the drive which was spearheaded by Jane Mensel, chairwoman, and Charles Hanrahan, former Library trustee for many years. Kingsbury also provided the plaque which is on display in the entrance hall showing the names of the contributors to the fund drive. Many volunteers contributed their expertise and hours of labor to the project. As an example, more than fifty persons with two special trucks contributed time and effort to the herculean job of moving furniture, equipment and books from the second to the first floor. In addition, others contributed painting, cleaning and other necessary work. Sincere appreciation and thanks are extended to the many persons who were and are involved in helping to provide better library facilities and services to Swanzey as the town continues to grow.

The new quarters are more accessible for all those using the library facilities; it is a bright and cheery place and much more efficient in the utilization of space. The second floor will be used for storage of magazines and books not currently used, exhibits and special activities such as story hour and other programs. The display cases in the entrance hall will continue to feature exhibits relating to the town and library.

The Library is being well used during the twenty-four hours weekly that it is open and there were 187 new registrations for the past year. School classes, high school and elementary, visit the Library. Story Hour for the primary grades in the fall and spring and a vacation readers program are regular activities. Newly published books are received each month, and there have been generous donations of books and magazines. In addition to books and magazines, puzzles, records, maps, pamphlets are also circulated. Books are taken to the Carpenter Home and other home-bound persons, and the Talking Book Service is available through the Library for those eligible to receive it. The State Library Bookmobile visits regularly and 4000-4500 books are borrowed to supplement the library's collection. Requested materials by the patrons such as certain book titles and subject matter not in the Library are borrowed from other

libraries as well as from the State Library in Concord. Library Trustees are: Jane Johnson-chairman; Carolyn Coughlin - vice chairman; Dianne Beecher - secretary; Elsie Navis - treasurer; Judy Martin, Janet Parsons, Chris Brown, Gordon Woolner, Robert Stack, Aline Parker, Jane Mensel, Rita Prudhomme, and Richard Talbot, who is the town-elected trustee.

Assistant Librarians are Eleanore Collins and Lorraine O'Gorman.

Library Hours are:
Monday through Thursday 1:30-4:30; 6:30-9:00
Tuesday morning 9:30-11:30

STRATTON FREE LIBRARY
West Swanzey, N.H.

As the new Librarian for the Stratton Free Library, I would like to thank Carol Boulay for the years of service she spent as Librarian.

Library hours have remained consistent:

Tuesday: 2:00 - 4:30 PM

Tuesday: 7:00 - 8:00 PM

Friday: 2:30 - 4:30 PM

We have added a preschool story hour on Fridays at 2:00 PM for children three to kindergarten age. This lasts approximately one half hour and includes stories, poems, songs and occasional crafts. We made an attempt to start a story hour for children in grades one through four; and, we hope we will be more successful with that this year. Recently we have set up a "Listening Center" at the library complete with earphones, cassette recorder and recorded books for children of all ages.

In October the library was re-arranged and "color coded". Hopefully, the larger signs designating the various areas of interest will make finding the books you want easier. Our new sign listing the hours we are open has definitely been a welcome addition.

Eighty people have obtained new library cards during this year. The State Book Mobile comes three or four times per year; and, we are able to request many books, records and films from the State Library in Concord. We also have large print books at the library and information about Talking Books.

During the next few years, we will be emphasizing the up-dating and supplementing of our reference materials. Much of what we have is out-dated; and, we lack resources in many areas such as space, mechanics and new developing nations.

We are constantly searching for volunteers to do story hours, displays, cataloging books or any program suitable for the library. It is a beautiful building and should be used and enjoyed to its fullest extent.

Trustees are: Ernest Perry, President; Virginia Howard, Secretary; Raphael Haley, Treasurer; Patricia Fenn, Carol Haley, Barbara Hood, and Carol Roosa.

Total Expenditures of Town Appropriation \$1,500.00

SWANZEY CONSERVATION COMMISSION

The Swanzey Conservation Commission is looking for new members with new ideas. The Conservation Commission deals with the conservation of all of the town's resources including open space and the quality of life which we all have come to enjoy.

The Commission was instrumental in establishing the Recycling Center and has undertaken some of the continued responsibility for its operation. Last year the Commission was a prime force in the passage of a solar energy tax exemption. In the future we hope to direct our efforts toward obtaining conservation easements in line with the town's land use map presently being prepared.

The Commission meets once a month and any interested townspeople should contact one of the Commissioners listed below. We welcome your support and ideas.

SWANZEY VISITING NURSE ASSOCIATION

In 1977, the S.V.N.A. continued its contractual arrangement with the Winchester District Nurse Association. Mrs. Priscilla Gloeckler, R.N. is the nurse providing services to Swanzey. In 1977, she made 1356 visits to Swanzey residents. The majority of these were from doctor referral.

Other services provided included: 256 Physical Therapy visits to ten individuals, Homemaker Services to 5 families, Immunization and Blood Pressure clinics.

On the average, Mrs. Gloeckler attended one educational program a month. This helps assure us of current nursing practice.

In December, the first WIC Clinic was held in Winchester for eligible residents of Swanzey and Winchester. This federally funded program furnishes dairy products, formula, and cereal to Women, Infants, and Children that meet income guidelines.

SWANZEY AMERICAN REVOLUTION BICENTENNIAL COMMITTEE

On Friday, Dec. 2, 1977, the Bicentennial Committee held its last meeting and formerly disbanded until hopefully some of our relatives will again institute the committee in 2076.

Most of the meeting was held to discuss the use of funds left over for the benefit of Swanzey. Some of the money has already gone towards repairing the original Town Charter. It was also voted to hard cover the existing set of town reports and to place Christmas wreaths on our covered bridges each year. We also voted to buy a new bicentennial flag since the original that was presented to us is in poor condition and will be saved with the other memorabilia of our activities. Bucket number 500 will also be placed with the memorabilia, as bucket number 1 is missing and presumed stolen. Any money left over after these expenditures will go into a trustees fund for the beautification of town owned covered bridges.

Again we would like to thank the town of Swanzey and its officers for making our bicentennial years (1974-1977) so memorable. Swanzey has received many awards for its participation in America's Bicentennial. Some of these awards can be seen at the Town Hall, Mt. Caesar Union Library or the Antiquarian Society. Please, just ask. A very interesting scrapbook is in the library. Anyone who has material or comments that they would like to add to the collection is invited to do so.

Thank you again Swanzey, you have done a terrific job! We have appreciated the opportunity to organize and help participate in America's Bicentennial years.

SWANZEY RECREATION DEPARTMENT REPORT

The year 1977. The commission put a new roof on the pavillion at Richardson Park, a new parking lot and new gate, and worked on beach area.

The program at Brown Field of seven weeks was a success. We ran a program at Brown Field, plus Mt. Caesar Field. This gave us two fields being in use and more participation. Lane Field, East Swanzey, has a new fence on the Little League Field and a new fence on one of the Pee Wee Fields. This year we hope to finish up the field with the help of Little League and Pee Wee officials.

The commission has helped girl's softball and youth hockey and other programs.

This was all made possible by the townspeople of Swanzey. We thank you very much.

Archie Humphrey,
Treasurer.

SEWER STUDY COMMITTEE REPORT

On May 2, 1977 a study committee was organized to work with the engineering firm for the purpose of questioning and gathering information on the scope and services of the sewer situation as pertaining to Swanzey.

The members chosen were Max H. Brink, Selectman; Peter Poanessa, Involved Citizens; Cecil Plummer, Planning Board; Douglas Wood and Glenn Guyette, unbiased citizens.

Several members of the committee visited sites in Putney, Vt., Springfield, Vt., Mt. Snow and Haystack Mt. in Vermont. We were quite impressed with the operation of all sites, especially Haystack Mt., which is an aeriated lagoon.

We have met each month with the engineers and have had four public meetings with the engineers present to explain progress and their recommendations.

The study committee is whole heartedly behind the concept of the Dufresne-Henry Study.
